## TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

*Protecting Texas by Reducing and Preventing Pollution*

September 9, 2022

To: Persons on the Attached Mailing List (by email as indicated)

Re: Motion to Overturn the Executive Director's issuance of Standard Permit No. 169564 to ETC Texas Pipeline, Ltd. (Bear Gas Processing Plant); TCEQ Docket No. 2022-1004-AIR.

The above-referenced Motion to Overturn (MTO) was timely filed by EIP, Center for Biological Diversity, and the Lone Star Chapter of the Sierra Club (Movants). The MTO pertains to the Executive Director's issuance of Standard Permit No. 169564 issued to ETC Texas Pipeline, Ltd. (Bear Gas Processing Plant) (Applicant) for emissions associated with its Bear Gas Processing Plant.

Title 30 of the Texas Administrative Code Chapter 50 authorizes an extension of time for taking action on a Motion to Overturn up to 90 days after the date a party is notified of a decision or order. In this case, notice of the decision was mailed on June 4, 2021. This letter shall serve as the order extending the time for the Commission to act on this Motion until **Friday, October 21, 2022**.

This letter is also to notify the Applicants, the Executive Director, and the Office of Public Interest Counsel that they are encouraged to file response briefs with the Commission's Office of Chief Clerk (OCC) on or before **5:00 P.M. on Friday, September 23, 2022**. The Movant may file a reply brief on or before **5:00 P.M. on Friday, October 7, 2022**.

All responses and replies must be properly filed with the Chief Clerk of the TCEQ. Responses and replies may be filed with the Chief Clerk electronically at [www14.tceq.texas.gov/epic/eFiling/](http://www14.tceq.texas.gov/epic/eFiling/) *or* by filing an original and seven (7) copies with the Chief Clerk of the TCEQ. All response and reply briefs should also be mailed to all other persons on the attached mailing list on the same day filed in the OCC. To be considered timely, any response or reply brief must be received in the OCC on or before the applicable 5:00 P.M. deadline. All briefs filed with the OCC should be addressed to the attention of the Agenda Docket Clerk and marked with the TCEQ Docket number provided above.

After the Office of General Counsel (OGC) has reviewed the filings, OGC will determine whether to set this matter on a Commission Agenda. If you have any questions about the briefing schedule or related matters, please contact Greg Merrell, Assistant General Counsel, at [greg.merrell@tceq.texas.gov](mailto:greg.merrell@tceq.texas.gov).

Respectfully,

A handwritten signature in black ink that reads "Mary Smith".

Mary Smith  
General Counsel
